2017

From the Director's Chair

Has this month snuck up on you? It has definitely snuck up on me. And then there are those that are already talking about Christmas...whoa now, let's not get ahead of ourselves, right? Well in this month of November it is a great time to think about what we are thankful for. I am thankful for many things, but I must say, to have a job where I am surrounded by the sweetest littles ones EVER, well that tops the list. Not only that, I have the most amazing teachers. These ladies work hard to make sure your little ones are getting a great education as well as growing into wonderful little citizens. I am very proud of our preschool and I hope you are too. That leads me to what else I am thankful for, I am thankful for you. The moms and dads that trust us with your little ones. That offer us the opportunity to teach and help grow your babies. Thank you. And Happy Thanksgiving!
All My Best,
Melissa

Have you thought about church lately?

You are welcome here. We have a great children's department and 3 services!

8am Traditional Service

9:30 Contemporary Service

11am Traditional Service

Our traditional services are just that, they are more like how people think of church, dress clothes, hymns, prayers, and a sermon. All done in our beautiful sanctuary. Our Contemporary Service is in the Fellowship Hall. It is a bit more casual, with a band, prayers, and a sermon. You can check in your children at the entrance you use for carpool, they will have a fun, engaging class as well. I am here and can be that friendly face, so don't be a stranger ☺
