

FEBRUARY

From the Director's Chair

February is a great month. There is so much going on from Ground Hog Day to Valentine's Day and then there is mid-

Winter Break! This is a great time to reflect on RENEWAL. Renewal? You might ask, that is in spring, right? Well, yes it is, but with Ground Hog Day, we begin to think about the possibility of spring. There is hope for warmth, flowers, and singing birds. Then there is Valentine's Day. A renewal of love, perhaps? A reminder to take a day with your honey, your parents, and your kids just to love on them. How about a personal renewal? New Year's resolutions are all but forgotten, so maybe now you could dig a little deeper. Really focus on what has been nagging at you. Maybe you've been feeling like there is something more? Even in this world of hustle and bustle we can still feel a sense that there is more, or perhaps a void. People can put a label of this void, this longing. And it can be filled with a million different things. But until you find THE thing to fill the void, it remains...there. Maybe this thing is purpose...a direction...a hope. If this is something that you are experiencing, and you are curious about what could help fill that void, I point you to Jeremiah 29:11. This is the Bible verse the children will be learning about this month. God has a purpose for you! I pray for your renewal, hope, love, and purpose this February.
