Simply head over to their website, navigate to the Help section, and select the chat option. This connects you with a real person who can assist you just as well as phone support can. 3. Reaching Out on Social Media Coinbase is active on social media platforms like Twitter and Facebook. Many

customers have found that sending a message via these platforms leads to quick responses, especially for general inquiries. 4.

Utilizing the Coinbase Mobile App for Support The Coinbase app Coinbase desde un celular

+1~888~400~4331 or +1~888~400~4331 OTA (Live Person) is another handy way to contact support. It provides options to call or chat with customer service directly from the app, giving you another method to reach a live person without needing to switch devices. 5. Emailing Coinbase Support For less urgent issues, emailing Coinbase is another option. While response times can be longer, this method ensures that you have written documentation of your issue and any communication regarding its resolution. Step-by-Step: Talking to a Live Person via Phone Listen to the automated prompts and select the option that best matches your issue.

Typically, you'll want to choose options like "existing reservations" or "technical support." If prompted to enter your itinerary number but you don't have it, pressing "0" can sometimes bypass this step. Repeat "agent" or "representative" when asked what you need. This often speeds up the process.
